Arabic Alphabet Flashcards

HOW TO USE THIS FILE:

- Print each page once. I preferred to print the pages on cardstock and then laminated them prior to cutting out the pieces. For those of you who do not have a color printer – remember that Kinko's (in the US) has facilities where you can use their computer and print off documents in color for a fee.
- Cut out all the pieces (along the lines) of the Arabic Alphabet Flashcards.
- Use each card to help your child recognize the Arabic Alphabet.
